1 in 2

Americans say the hassle of switching puts them off changing carriers.

18%

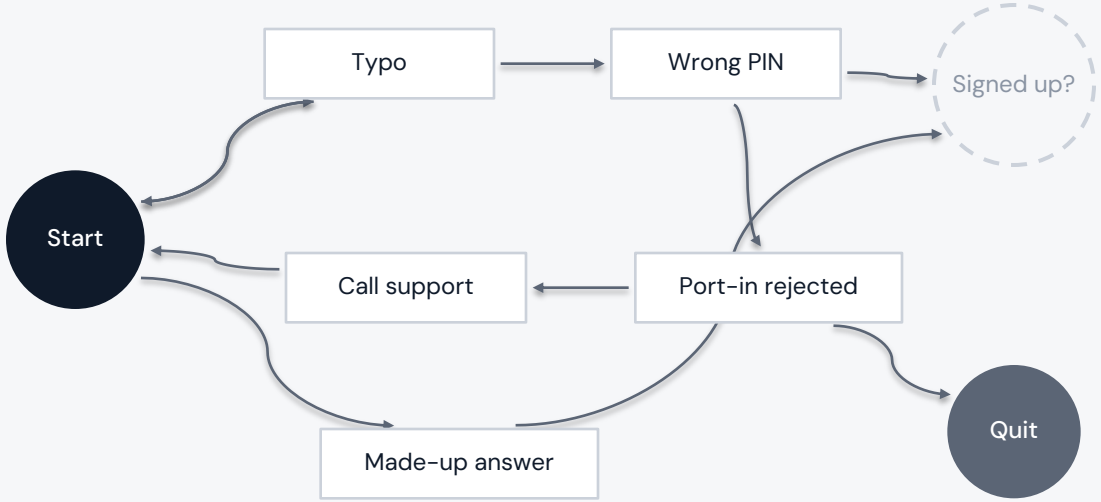

of US shoppers who quit a checkout did it because it was too long or complicated.

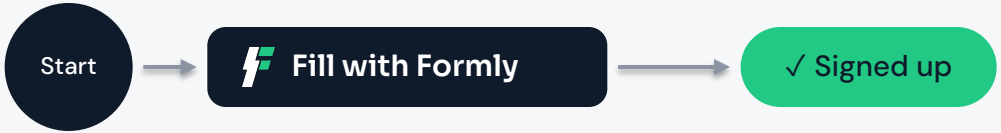

Sources: YouGov, Jan 2023 · Baymard Institute, 2025

Formly converts.

A · By hand

B · Fill with Formly

$1,835

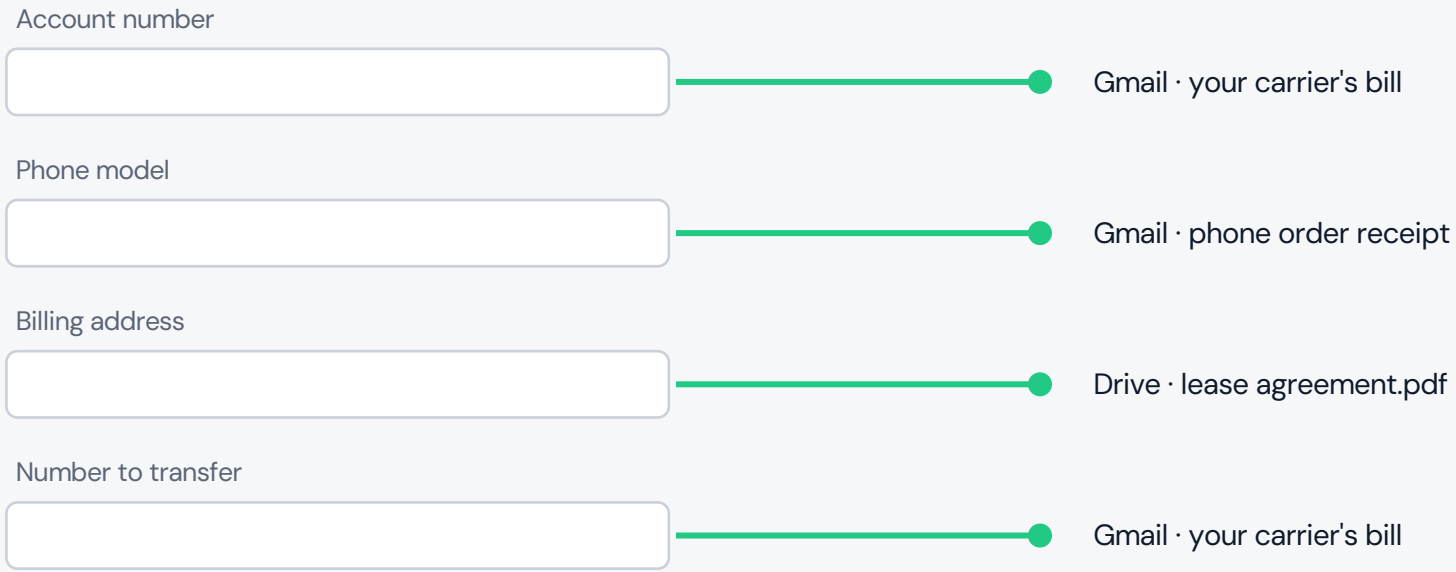

a year from each new account that finishes signing up ($152.91 a month).

up to 50%

more checkouts finished when the form is prefilled (Shop Pay vs. guest checkout).

Sources: T-Mobile Q2 2026 results, postpaid ARPA

The answers already exist in your accounts.

Formly reads what you connect and finds each answer, so you don't have to remember it.

Which was faster?

Same T-Mobile switch form. Our times on the replica:

A · By hand

[m:ss]

[N] fields typed

B · Fill with Formly

[m:ss]

0 fields typed, every answer sourced

Bring Formly to T-Mobile.

[X]× faster

to a finished switch form, measured on our replica · fewer people quit halfway

Our ask: a one-month pilot of Fill with Formly on T-Mobile's switch flow, measured on completion rate and port-in errors.
